PART ONE.

BONDS OF THE 4.00% SERIES

SECTION 1. The Company hereby creates a new series of bonds to be issued under and secured by the Indenture and known as its First and Refunding Mortgage Bonds, 4.00% Series due 2042 (herein called “bonds of the 4.00% Series”) and the Company hereby establishes, determines and fixes the terms and provisions of the bonds of the 4.00% Series as hereinafter in this Part One set forth.

Each bond of the 4.00% Series shall be dated the date of its authentication (except that if any such bond shall be authenticated on any interest payment date, it shall be dated the following day) and interest shall be payable on the principal represented thereby commencing March 30, 2013, from March 30 or September 30, as the case may be, next preceding the date thereof to which interest has been paid, unless such date of authentication is prior to March 30, 2013, in which case interest shall be payable from September 21, 2012; provided, however, that interest shall be payable on each bond of the 4.00% Series authenticated after the record date (as defined in the next succeeding paragraph of this Section 1) with respect to any interest payment date and prior to such interest payment date, only from such interest payment date.

Interest on any bond of the 4.00% Series shall be paid to the person who, according to the bond register of the Company, is the registered holder of such bond of the 4.00% Series at the close of business on the applicable record date, and such interest payments shall be made by check mailed to such registered holder at his last address shown on such bond register or, at the option of the Company, by wire transfer at such place and to such account at a banking institution in the United States as may be designated in writing to the Trustee at least sixteen (16) days prior to the date of payment by the Person entitled thereto (provided, that if the bonds of the 4.00% Series are represented by Global Securities held by the Depositary, payment may be made pursuant to the procedures of the Depositary); provided, however, that, if the Company shall default in the payment of the interest due on any interest payment date on any bond of the 4.00% Series, such defaulted interest shall be paid to the registered holder of such bond (or any bond or bonds of the 4.00% Series issued upon transfer, exchange or substitution thereof) on the date of subsequent payment of such defaulted interest or, at the election of the Company, to the person in whose name such bond (or any bond or bonds of the 4.00% Series issued upon transfer, exchange or substitution thereof) is registered on a subsequent record date established by notice given by mail by or on behalf of the Company to the holders of all bonds of the 4.00% Series not less than ten (10) days preceding such subsequent record date. The term “record date” as used in this Section 1 shall mean, with respect to any semi-annual interest payment date, the close of business on the March 15 or September 15, whether or not a business day, next preceding such interest payment date or, in the case of a payment of defaulted interest, the close of business on any subsequent record date established as provided above.

SECTION 2. All bonds of the 4.00% Series shall mature as to principal on September 30, 2042 and shall bear interest at a rate of 4.00% per annum, payable semi-annually on the thirtieth day of March and September in each year, commencing on the thirtieth day of March, 2013. Interest on the bonds of the 4.00% Series will be computed on the basis of a 360-day year consisting of twelve 30-day months.

SECTION 3. The bonds of the 4.00% Series shall be fully registered bonds, without coupons, in denominations of two thousand dollars (\$2,000) and integral multiples of one thousand dollars (\$1,000) in excess thereof, all such bonds to be numbered, and shall be transferable and exchangeable as provided in the form of bond set forth as Exhibit A to this supplemental indenture. The provisions of §1.19 and any other provision in the Indenture in respect of coupon bonds or reservation of coupon bond numbers shall be inapplicable to the bonds of the 4.00% Series.

SECTION 4. At any time before March 30, 2042, the bonds of the 4.00% Series may be redeemed at the option of the Company, in whole or in part and from time to time, at a redemption price equal to the greater of (1) 100% of the principal amount of the bonds of the 4.00% Series to be redeemed and (2) the sum of the present values of the remaining scheduled payments of principal and interest on the bonds of the 4.00% Series being redeemed (exclusive of interest accrued to the redemption date) discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 20 basis points, plus, in either case, accrued and unpaid interest on the principal amount being redeemed to the date of such redemption. The Company shall notify the Trustee of the redemption price with respect to any redemption pursuant to this paragraph promptly after the calculation thereof. The Trustee shall not be responsible for calculating said redemption price.

At any time on or after March 30, 2042, the bonds of the 4.00% Series may be redeemed at the option of the Company, in whole or in part and from time to time, at a redemption price equal to 100% of the principal amount of the bonds of the 4.00% Series to be redeemed plus accrued and unpaid interest on the principal amount being redeemed to the date of such redemption.

The bonds of the 4.00% Series are also subject to redemption through the operation of the Replacement Fund provided in Part Two of this supplemental indenture or through the application of moneys paid to the Trustee pursuant to the provisions of §5.05 of the Indenture, at any time or from time to time prior to maturity, upon prior notice as hereinafter provided, at the redemption prices specified in the fifth paragraph of the reverse side of the form of bond set forth as Exhibit A to this supplemental indenture, together with interest accrued thereon to the date fixed for redemption thereof.

In the event that any redemption date is not a Business Day, the Company shall pay the redemption price on the next Business Day without any interest or other payment due to the delay.

All such redemptions of bonds of the 4.00% Series shall be effected as provided in Article 3 of the Indenture except that, in case a part only of the bonds of the 4.00% Series is to be paid and redeemed, the particular bonds or part thereof shall be selected by the Trustee in such manner as the Trustee in its uncontrolled discretion shall determine to be fair and in any case where several bonds are registered in the same name, the Trustee may treat the aggregate principal amount so registered as if it were represented by one bond and except that when bonds are redeemed in part only the notice given to any particular holder need state only the principal amount of the bonds of that holder which is to be redeemed and except that notice to the holders of bonds to be redeemed shall be given by mailing to such holders a notice of such redemption, first class mail postage prepaid, not later than the thirtieth day, and not earlier than the sixtieth day, before the date fixed for redemption, at their last addresses as they shall appear upon the bond register of the Company. Any notice which is mailed in the manner herein provided shall be conclusively presumed to have been duly given, whether or not the holder receives such notice; and failure duly to give such notice by mail, or any defect in such notice, to the holder of any bond designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other bond. No publication of notice of such redemption shall be required.

SECTION 5. The limit upon the aggregate principal amount of the bonds of the 4.00% Series which may be authenticated and delivered pursuant to this Ninety-Fifth Supplemental Indenture shall be \$650,000,000. Notwithstanding the foregoing, the Company may, without the consent of the holders of the bonds of the 4.00% Series, reopen the bonds of the 4.00% Series and issue an unlimited amount of additional bonds having the same ranking, interest rate, maturity and other terms as the bonds of the 4.00% Series authenticated and delivered pursuant to this Ninety-Fifth Supplemental Indenture, other than, if applicable, the initial interest accrual date and interest payment date; provided, that, the Company may reopen the bonds of the 4.00% Series only if the additional bonds issued will be fungible for United States federal income tax purposes with the bonds of the 4.00% Series authenticated and delivered pursuant to this Ninety-Fifth Supplemental Indenture. Any such additional bonds will be

consolidated with and form a single series of bonds under the Indenture with the bonds of the 4.00% Series authenticated and delivered pursuant to this Ninety-Fifth Supplemental Indenture.

SECTION 6. The place or places of payment (as to principal and premium, if any, and interest), redemption, transfer, exchange and registration of the bonds of the 4.00% Series shall be the office or offices or the agency or agencies of the Company in the Borough of Manhattan, The City of New York, designated from time to time by the Board of Directors of the Company (provided, that if the bonds of the 4.00% Series are represented by Global Securities held by or on behalf of the Depositary, the procedures of the Depositary may be followed for any action under this Section 6 of Part One).

SECTION 7. The form of the bonds of the 4.00% Series and the certificate of the Trustee to be endorsed on such bonds, respectively, shall be in substantially the form set forth in Exhibit A hereto.

SECTION 3. Whenever all of the bonds of the 4.00% Series and all of the Outstanding Mortgage Bonds entitled to the benefit of the Replacement Fund shall have been paid, purchased or redeemed, the Trustee shall, upon application of the Company, pay to or upon the order of the Company all cash theretofore deposited with the Trustee pursuant to the provisions of the Replacement Fund and not previously disposed of pursuant to the provisions of the Replacement Fund, and shall deliver to the Company any bonds which shall theretofore have been deposited with the Trustee pursuant to the provisions of the Replacement Fund or paid, purchased or redeemed pursuant to the provisions of the Replacement Fund.

Authorized Signatory

[REVERSE SIDE OF BOND]

This bond is one of the bonds of a series, designated specially as First and Refunding Mortgage Bonds, 4.00% Series due 2042, of an authorized issue of bonds of the Company, without limit as to aggregate principal amount, designated generally as First and Refunding Mortgage Bonds, all issued and to be issued under and equally and ratably secured by a First and Refunding Mortgage dated as of December 1, 1927, duly executed by Duke Power Company, a New Jersey corporation (hereinafter called the “New Jersey Company”), to Guaranty Trust Company of New York, as Trustee (The Bank of New York Mellon Trust Company, N.A., as successor trustee), as supplemented and modified by indentures supplemental thereto, including a supplemental indenture dated September 21, 2012 providing for said series (said First and Refunding Mortgage as so supplemented and modified being hereinafter referred to as the “Indenture”), to which Indenture reference is made for a description of the property mortgaged, the nature and extent of the security, the rights of the holders of the bonds in respect thereof, the terms and conditions upon which the bonds are secured and the restrictions subject to which additional bonds secured thereby may be issued. To the extent permitted by, and as provided in, the Indenture, modifications or alterations of the Indenture, or of any indenture supplemental thereto, and of the rights and obligations of the Company and of the holders of the bonds, may be made with the consent of the Company by the affirmative vote, or with the written consent, of the holders of not less than 66 2/3% in principal amount of the bonds then outstanding, and by the affirmative vote, or with the written consent, of the holders of not less than 66 2/3% in principal amount of the bonds of any series then outstanding and affected by such modification or alteration, in case one or more but less than all of the series of bonds then outstanding under the Indenture are so affected, evidenced, in each case, as provided in the Indenture; provided that any supplemental indenture may be modified in accordance with the provisions contained therein for its modification; and provided, further, that no such modification or alteration shall be made which will affect the terms of payment of the principal of, or interest or premium on, this bond, or the right of any bondholder to institute suit for the enforcement of any such payment on or after the respective due dates expressed in this bond, or reduce the percentage required for the taking of any such action. Any such affirmative vote of, or written consent given by, any holder of this bond is binding upon all subsequent holders hereof as provided in the Indenture.

In case an event of default as defined in the Indenture shall occur, the principal of all the bonds outstanding thereunder may become or be declared due and payable at the time, in the manner and with the effect provided in the Indenture.

At any time before March 30, 2042, the bonds of this series may be redeemed at the option of the Company, in whole or in part and from time to time, at a redemption price equal to the greater of (1) 100% of the principal amount of the bonds of this series to be redeemed and (2) the sum of the present values of the remaining scheduled payments of principal and interest on such bonds (exclusive of interest accrued to the redemption date), discounted to the redemption date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 20 basis points, plus, in either case, accrued and unpaid interest on the principal amount being redeemed to the date of such redemption.

At any time on or after March 30, 2042, the bonds of this series may be redeemed at the option of the Company, in whole or in part and from time to time, at a redemption price equal to

100% of the principal amount of the bonds of this series to be redeemed plus accrued and unpaid interest on the principal amount being redeemed to the date of such redemption.

“Business day” means any day other than a day on which banks in New York City are required or authorized to be closed.

“Comparable Treasury Issue” means the United States Treasury security selected by the Quotation Agent as having an actual or interpolated maturity comparable to the remaining term of the bonds of this series to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of a comparable maturity to the remaining term of such bonds.

“Comparable Treasury Price” means, with respect to any redemption date, (A) the average of the Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (B) if the Quotation Agent obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

“Quotation Agent” means one of the Reference Treasury Dealers appointed by the Company.

“Reference Treasury Dealer” means each of Barclays Capital Inc., RBS Securities Inc., The Bank of Nova Scotia, New York Agency (an affiliate of Scotia Capital (USA) Inc.), and UBS Securities LLC, plus one other financial institution appointed by the Company at the time of any redemption or their respective affiliates or successors, each of which is a primary U.S. Government securities dealer in the United States (a “Primary Treasury Dealer”); provided, however, that if any of the foregoing or their affiliates or successors shall cease to be a Primary Treasury Dealer, the Company shall substitute therefor another Primary Treasury Dealer.

“Reference Treasury Dealer Quotation” means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Quotation Agent, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Quotation Agent by such Reference Treasury Dealer at 5:00 p.m., New York City time, on the third business day preceding such redemption date.

“Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semi-annual equivalent yield to maturity or interpolated maturity (on a day count basis) of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

The bonds of this series are also subject to redemption for the Replacement Fund for bonds of this series provided for in the supplemental indenture dated as of September 21, 2012, providing for this series, or upon application of moneys arising from a taking of any of the mortgaged property by eminent domain or similar action, at any time or from time to time prior

to maturity, at 100% of their principal amount, in each case together with accrued interest up to, but not including, the date fixed for redemption.

Redemption is in every case to be effected at the office or agency of the Company in the Borough of Manhattan, The City of New York, upon at least thirty, but not more than sixty, days' prior notice, given by mail as more fully provided in the Indenture.

If this bond or any portion hereof (\$2,000 and integral multiples of \$1,000 in excess thereof) is called for redemption and payment is duly provided, this bond or such portion thereof shall cease to bear interest from and after the date fixed for such redemption.

This bond is transferable, as provided in the Indenture, by the registered owner hereof in person or by duly authorized attorney, at the office or agency of the Company in the Borough of Manhattan, The City of New York, upon surrender and cancellation of this bond, and thereupon a new bond of the same series and of like aggregate principal amount will be issued to the transferee in exchange herefor as provided in the Indenture; or the registered owner of this bond, at his option, may surrender the same for cancellation at said office or agency of the Company and receive in exchange herefor the same aggregate principal amount of bonds of the same series of authorized denominations; all subject to the terms of the Indenture but without payment of any charges other than a sum sufficient to reimburse the Company for any stamp taxes or other governmental charges incident thereto.

This bond is a company obligation only and no recourse whatsoever, either directly or through the Company or any trustee, receiver, assignee or any other person, shall be had for the payment of the principal of or premium, if any, or interest on this bond, or for the enforcement of any claim based hereon, or otherwise in respect hereof or of the Indenture, against any promoter, subscriber to the capital stock, incorporator, or any past, present or future stockholder, member, officer or director of the Company as such, or of any successor or predecessor corporation or entity, whether by virtue of any constitutional provision, statute or rule of law, or by the enforcement of any assessment, penalty, subscription or otherwise, any and all such liability of promoters, subscribers, incorporators, stockholders, members, officers and directors being waived and released by each successive holder hereof by the acceptance of this bond, and as a part of the consideration for the issue hereof, and being likewise waived and released by the terms of the Indenture.
